

The diagram illustrates a video display system 10. It includes a monitor 11, a video source 12, a signal processor 23, a D/A converter 24, a system controller 31, a power source switch 29, a stabilizing power source circuit 30, an auxiliary light source drive circuit 33, a diaphragm drive circuit 38, an actuator 34, a main light source power source 28, and an extinguishment detection circuit 40. The system is labeled 20.
